#178 A - Councilman Conlon offered the following resolution and moved its adoption; seconded by Councilman Barry:

WHEREAS, the Talmudical Institute of Upstate New York (the "Applicant/Project Sponsor") has submitted a request to the Town Board (the "Town Board") of the Town of Greece (the "Town"), Monroe County, New York, to amend the Official Zoning Map of the Town of Greece, New York, relative to property located at 588 Stone Road; and

WHEREAS, having considered carefully all relevant documentary, testimonial, and other evidence submitted, the Town Board makes the following findings:

1. In summary, the Applicant/Project Sponsor's proposal (the "Proposal") is to rezone 5± acres of real property (the Premises") from PL (Public Land) to DMU (Dewey Avenue Mixed Use) and to use an existing building and grounds as a private school for children in kindergarten through eighth grade. The current owner of the Premises, the Greece Central School District (the "School District"), intends to sell the Premises to the Applicant/Project Sponsor. The Premises consist of a vacant, multistory, former public elementary school, with outdoor play areas and paved driveway and parking areas. The Applicant/Project Sponsor proposes to repair/renovate the interior of the building as needed, with no substantial changes to the grounds at this time. Typical hours of operation are: Mondays through Fridays, 8:30 a.m. to 4:00 p.m. The current transportation needs for the students are two full-size school buses and two smaller school buses

in the morning and in the afternoon. Vehicular access to the Premises is via an unsignalized driveway at Maiden Lane (a two-lane Town urban minor arterial). Existing land uses in the vicinity include but are not limited to single-family houses, retail and service businesses, restaurants, office, gasoline station/convenience mart, firehouse, places of worship, an operations building for a telecommunications service provider, and the Villa of Hope.

2. Upon review of the Proposal, the Town Board determined that the Proposal is subject to the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQRA Regulations") (collectively, "SEQRA"), and that the Proposal constitutes an Unlisted action under SEQRA.
3. On May 19, 2015 at 6:16 p.m. in the Greece Town Hall, 1 Vince Tofany Boulevard, the Town Board held a public hearing (the "Hearing") to consider the Proposal, at which time all parties in interest and citizens were afforded an opportunity to be heard.
4. Documentary, testimonial, and other evidence relative to the Proposal were presented at the Hearing for the Town Board's consideration.
5. At the conclusion of the Hearing, the Town Board closed the Hearing and reserved decision on the Proposal, but continued to accept and consider written comments from all parties in interest, citizens, and agencies.
6. The Town Board has carefully considered environmental information that was prepared by the Applicant/Project Sponsor's representatives or the Town's staff, which included but was not limited to: a project narrative; a survey of the Premises; aerial photographs; and Part I of an Environmental Assessment Form (the "EAF") (collectively, the "Environmental Analysis").
7. The Town Board also has included in the Environmental Analysis and has carefully considered additional information submitted by the Applicant/Project Sponsor's representatives, including but not limited to: oral or written descriptions of the Proposal; maps and other drawings of the Proposal; and various oral or written comments that may have resulted from meetings with or written correspondence from the Applicant/Project Sponsor's representatives.
8. The Town Board also has included in the Environmental Analysis and has carefully considered information, recommendations, and comments that may have resulted from telephone conversations or meetings with or written correspondence from various involved and interested agencies, including but not limited to: the Monroe County Department of Planning and Development; the Town's Planning Board (the "Planning Board"); and the Town's own staff.
9. The Town Board also has included in the Environmental Analysis and has carefully considered information, recommendations, and comments that may have resulted from telephone conversations or meetings with or written correspondence from owners of nearby properties or other interested parties, and all other relevant comments submitted to the Town Board as of June 16, 2015.
10. The Town Board has carefully considered the Environmental Analysis, which examined the potential effects of the Proposal on the following principal relevant issues: vehicular traffic; storm water management; and compatibility with nearby uses. A summary of the analyses of these issues and the Town Board's reasoned elaboration supporting its determination of environmental significance follows.
11. Vehicular traffic.
 - a. Description of analysis and potential impacts. The Premises previously were used as a public school, from about 1928 until about 2002. The projected number of students in the Proposal is about 90, although that number could increase gradually over the next few years; faculty and staff total fewer than 25 persons. The current transportation needs for the students are two full-size school buses and two smaller school buses in the morning and in the afternoon.
 - b. Mitigation measures. No mitigation measures are required or proposed for the Proposal.

- c. **Conclusions.** The existing transportation network can accommodate the projected vehicular traffic from the Proposal, without mitigation measures.
- 12. **Storm water management.**
 - a. **Description of analysis and potential impacts.** The Premises consist of a vacant, multistory, former elementary school, with outdoor play areas and paved driveway and parking areas. Currently, no substantial changes to the grounds are proposed.
 - b. **Mitigation measures.** No mitigation measures are required or proposed for the Proposal. Any future changes to the Premises must comply with applicable federal, state, and local regulations, including the most recent storm water management guidelines promulgated by the NYSDEC.
 - c. **Conclusions.** The Proposal will not degrade existing storm water conditions on the Premises or on adjacent properties. If changes to the grounds are proposed in the future, such changes may present an opportunity to improve drainage conditions for adjacent properties.
- 13. **Compatibility with nearby uses.**
 - a. **Description of analysis and potential impacts.** The Proposal consists of using a vacant, multistory, former public elementary school, with outdoor play areas and paved driveway and parking areas, as a private school for children in kindergarten through eighth grade. The Premises previously were used by the School District as a full-time school from about 1928 to about 2002, and the School District continued to use the Premises for educational and administrative purposes until about 2012. The Proposal is for a continuation of a use that has existed on the Premises for more than 80 years. Existing land uses in the vicinity include but are not limited to single-family houses, retail and service businesses, restaurants, office, gasoline station/convenience mart, firehouse, places of worship, an operations building for a telecommunications service provider, and the Villa of Hope.
 - b. **Mitigation measures.** No mitigation measures are proposed for the Proposal. Any future changes to the Premises must comply with applicable federal, state, and local regulations.
 - c. **Conclusions.** The Proposal will not have a significant adverse impact on the character of the surrounding neighborhood.
- 14. The Environmental Analysis examined the relevant issues associated with the Proposal.
- 15. The Town Board has completed Parts 2 and 3 of the EAF, and has carefully considered the information contained therein.
- 16. The Town Board has met the procedural and substantive requirements of SEQRA.
- 17. The Town Board has carefully considered each and every criterion for determining the potential significance of the Proposal upon the environment, as set forth in SEQRA.
- 18. The Town Board has carefully considered (that is, has taken the required "hard look" at) the Proposal and the relevant environmental impacts, facts, and conclusions disclosed in the Environmental Analysis and all additional relevant information submitted.
- 19. The Town Board concurs with the information and conclusions contained in the Environmental Analysis.
- 20. The Town Board has made a reasoned elaboration of the rationale for arriving at its determination of environmental significance and the Town Board's determination is supported by substantial evidence, as set forth herein.
- 21. To the maximum extent practicable, potential adverse environmental impacts revealed in the environmental review process will be avoided or minimized by the Applicant/Project Sponsor's voluntary incorporation of mitigation measures that were identified as practicable.

NOW, THEREFORE, be it

RESOLVED that, pursuant to SEQRA, based on the aforementioned information, documentation, testimony, and findings, and after examining the relevant issues, the Town Board's own initial concerns, and all relevant issues raised and recommendations offered by involved and interested agencies and the Town's own staff, the Town Board determines that the Proposal will not have a significant adverse impact on the environment, which constitutes a negative declaration.

#178 B - Councilman Conlon offered the following resolution and moved its adoption; seconded by Councilman Barry:

WHEREAS, the Talmudical Institute of Upstate New York (the "Applicant") has submitted a request to the Town Board (the "Town Board") of the Town of Greece (the "Town"), Monroe County, New York, to amend the Official Zoning Map of the Town of Greece, New York, relative to property located at 588 Stone Road; and

WHEREAS, having considered carefully all relevant documentary, testimonial, and other evidence submitted, the Town Board makes the following findings:

1. In summary, the Applicant's proposal (the "Proposal") is to rezone 5± acres of real property (the Premises") from PL (Public Land) to DMU (Dewey Avenue Mixed Use) and to use an existing building and grounds as a private school for children in kindergarten through eighth grade. The current owner of the Premises, the Greece Central School District (the "School District"), intends to sell the Premises to the Applicant. The Premises consist of a vacant, multistory, former public elementary school, with outdoor play areas and paved driveway and parking areas. The Applicant proposes to repair/renovate the interior of the building as needed, with no substantial changes to the grounds at this time. Vehicular access to the Premises is via an unsignalized driveway at Maiden Lane (a two-lane Town urban minor arterial). Existing land uses in the vicinity include but are not limited to single-family houses, retail and service businesses, restaurants, office, gasoline station/convenience mart, firehouse, places of worship, an operations building for a telecommunications service provider, and the Villa of Hope.
2. Proof was had of the notice of a public hearing on a resolution proposing to amend said Official Zoning Map by rezoning 5± acres from PL (Public Land) to DMU (Dewey Avenue Mixed Use), relative to property located at 588 Stone Road.
3. On May 19, 2015 at 6:16 p.m. in the Greece Town Hall, 1 Vince Tofany Boulevard, the Town Board held a public hearing (the "Hearing") to consider the Proposal, at which time all parties in interest and citizens were afforded an opportunity to be heard.
4. Documentary, testimonial, and other evidence relative to the Proposal was presented at the Hearing for the Town Board's consideration.
5. At the conclusion of the Hearing, the Town Board closed the Hearing and reserved decision on the Proposal, but continued to accept and consider written comments from all parties in interest, citizens, and agencies.
6. The Premises are surrounded by the following zoning districts and land uses:

North: R1-E and R1-8 (Single-Family Residential) — Single-family houses and Saint Charles Borromeo Church, respectively.

South: DMU (Dewey Avenue Mixed Use) and R1-E (Single-Family Residential) — small commercial plazas and single-family houses, respectively.

East: DMU (Dewey Avenue Mixed Use) — retail stores and a gas station.

West: R1-E (Single-Family Residential) — Single-family houses.

7. The Proposal is a continuation of a use that has existed on the Premises for more than 80 years.
8. The proposed zoning and use of the Premises are consistent and compatible with the zoning and uses that are adjacent to the Premises.
9. At its regularly scheduled meeting on May 6, 2015, the Town's Planning Board recommended that the Town Board approve the Proposal.
10. The size and shape of the Premises are suitable for the Proposal.
11. Public utility service and vehicular access are adequate for the Proposal.
12. The Proposal is consistent with general and specific recommendations in the Town's 2001 Community Master Plan Update (the "Master Plan Update," completed September 18, 2001), including but not limited to:
 - a. The Master Plan Update (p. IV-4) recommended that a neighborhood center be maintained near the intersection of Dewey Avenue and Stone Road. A neighborhood center should be comprised of a mixture of uses, including community facilities. The proposed use—a school—generally is regarded as one type of community facility.
 - b. The Master Plan Update (p. IV-4) recommended that existing buildings be rehabilitated and maintained. The Proposal will rehabilitate and maintain an existing building.
13. On June 16, 2015, in accordance with the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQRA Regulations") (collectively, "SEQRA"), the Town Board issued a Negative Declaration for the Proposal (the "SEQRA Negative Declaration"). The SEQRA Negative Declaration indicated that, to the maximum extent practicable, potential adverse environmental impacts revealed in the environmental review process will be avoided or minimized by the Applicant's voluntary incorporation of mitigation measures that were identified as practicable. The SEQRA Negative Declaration is incorporated herein by reference as if fully set forth, as findings of the Town Board in its decision on the Proposal.

NOW, THEREFORE, be it

RESOLVED that, based on the aforementioned information, documentation, testimony, and findings, pursuant to the authority conferred by New York State Town Law, Article 16, and the Code of the Town of Greece, New York, Chapter 211 (Zoning) (the "Zoning Ordinance"), the Official Zoning Map of the Town of Greece, New York, hereby be and the same is amended to change the zoning classification of 5± acres from PL (Public Land) to DMU (Dewey Avenue Mixed Use), relative to property located at 588 Stone Road, as more particularly identified in the description attached hereto, subject to the following conditions:

1. In the event of any conflict among the oral or written descriptions of the Proposal, the site development plans for the Proposal, or the requirements or restrictions of this resolution, the Town Board, in its sole discretion and judgment and without hearing, shall determine the resolution of such conflict.
2. Wherever this resolution refers to a specific applicant, developer, or operator, it shall be construed to include successors and assigns.
3. Wherever this resolution refers to a specific public official or agency, it shall be construed to include designees, successors, and assigns.
4. Wherever this resolution refers to a specific law, ordinance, code, rule, or regulation, it shall be construed to include any succeeding or superseding authority.

2. Proof was had of the notice of public hearing on a resolution proposing to permit the Proposal.
3. On May 19, 2015 at 6:17 p.m. in the Greece Town Hall, 1 Vince Tofany Boulevard, the Town Board held a public hearing (the "Hearing") to consider the Proposal, at which time all parties in interest and citizens were afforded an opportunity to be heard.

4. Documentary, testimonial, and other evidence relative to the Proposal was presented at the Hearing for the Town Board's consideration.
5. At the conclusion of the Hearing, the Town Board closed the Hearing and reserved decision on the Proposal, but continued to accept and consider written comments from all parties in interest, citizens, and agencies.
6. Based on the Town Board's review of relevant documentary, testimonial, and other evidence, the location, nature, duration, and intensity of the Proposal: (a) will not adversely affect the orderly pattern of development in the area; (b) will be in harmony with nearby uses; (c) will not alter the essential character of the nearby neighborhood, nor be detrimental to the residents thereof; (d) will not create a hazard to health, safety, or the general welfare; (e) will not be detrimental to the flow of traffic; and (f) will not place an excessive burden on public improvements, facilities, services, or utilities.
7. Access to the Premises and the size and shape of the Premises are adequate for the Proposal.
8. Public utility service and vehicular access are adequate for the Proposal.
9. On June 16, 2015, in accordance with the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQRA Regulations") (collectively, "SEQRA"), the Town Board issued a Negative Declaration for the Proposal (the "SEQRA Negative Declaration"). The SEQRA Negative Declaration is incorporated herein by reference as if fully set forth, as findings of the Town Board in its decision on the Proposal.
10. Having considered the Proposal and all additional information that may be relevant to the Proposal, it is in the public interest to grant the requested special use permit.

NOW THEREFORE, be it

RESOLVED that, based on the aforementioned information, documentation, testimony, and findings, pursuant to the authority conferred by New York State Town Law, Article 16, and pursuant to the Code of the Town of Greece, New York, Chapter 211 (Zoning) (the "Zoning Ordinance"), the request submitted by the Talmudical Institute of Upstate New York (the "Applicant") for a special use permit to operate a school, to be known as Derech HaTorah of Rochester, on property located at 588 Stone Road, in a DMU (Dewey Avenue Mixed Use) Zoning District, hereby be and the same is approved and granted, subject to the following conditions:

1. The Applicant shall operate this school in conformity with all details of the Proposal, as described in the written descriptions and site development plans of the Proposal, and as set forth herein. In the event of any conflict among the oral or written descriptions of the Proposal, the site development plans of the Proposal, or the requirements or restrictions of this resolution, the Town Board, in its sole discretion and judgment and without hearing, shall determine the resolution of such conflict.

REFUNDING BOND RESOLUTION DATED JUNE 16, 2015.

A RESOLUTION AUTHORIZING THE ISSUANCE PURSUANT TO SECTION 90.10 OF THE LOCAL FINANCE LAW OF REFUNDING BONDS OF THE TOWN OF GREECE, MONROE COUNTY, NEW YORK, TO BE DESIGNATED SUBSTANTIALLY "PUBLIC IMPROVEMENT REFUNDING (SERIAL) BONDS", AND PROVIDING FOR OTHER MATTERS IN RELATION THERETO AND THE PAYMENT OF THE BONDS TO BE REFUNDED THEREBY.

WHEREAS, the Town of Greece, Monroe County, New York (hereinafter, the "Town") heretofore issued \$13,195,000 Public Improvement (Serial) Bonds, 2006, pursuant to various bond resolutions authorizing said serial bonds and a bond determinations certificate of the Supervisor (hereinafter referred to as the "Refunded Bond Certificate"), such Public Improvement (Serial) Bonds, 2006, now outstanding in the amount of \$5,170,000, maturing on September 1 annually in each of the years 2015 to 2035, both inclusive, as more fully described in the Refunded Bond Certificate; and

WHEREAS, it would be in the public interest to refund all or a portion of the \$3,920,000 outstanding principal balance of said bonds maturing in the years 2017 to 2035, both inclusive (the "Refunded Bonds") by the issuance of refunding bonds pursuant to Section 90.10 of the Local Finance Law; and

WHEREAS, such refunding will result in present value savings in debt service as so required by Section 90.10 of the Local Finance Law; **NOW, THEREFORE, BE IT**

RESOLVED, by the Town Board of the Town of Greece, Monroe County, New York, as follows:

Section 1. For the object or purpose of refunding the Refunded Bonds, including providing moneys which, together with the interest earned from the investment of certain of the proceeds of the refunding bonds herein authorized, shall be sufficient to pay (i) the principal amount of the Refunded Bonds, (ii) the aggregate amount of unmatured interest payable on the Refunded Bonds to and including the date on which the Refunded Bonds which are callable are to be called prior to their respective maturities in accordance with the refunding financial plan, as hereinafter defined, (iii) the costs and expenses incidental to the issuance of the refunding bonds herein authorized, including the development of the refunding financial plan, as hereinafter defined, compensation to the underwriter or underwriters, as hereinafter defined, costs and expenses of executing and performing the terms and conditions of the escrow contract or contracts, as hereinafter defined, and fees and charges of the escrow holder or holders, as hereinafter mentioned, and (iv) the premium or premiums for a policy or policies of municipal bond insurance or cost or costs of other credit enhancement facility or facilities, for the refunding bonds herein authorized, or any portion thereof, there are hereby authorized to be issued not exceeding \$4,250,000 refunding serial bonds of the Town pursuant to the provisions of Section 90.10 of the Local Finance Law (the "Refunding Bonds"), it being anticipated that the amount of Refunding Bonds actually to be issued will be approximately \$3,985,000, as provided in Section 4 hereof. The Refunding Bonds shall each be designated substantially "PUBLIC IMPROVEMENT REFUNDING (SERIAL) BOND" together with such series designation and year as is appropriate on the date of sale thereof, shall be of the denomination of \$5,000 or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity, shall be numbered with the prefix R-15 (or R with the last two digits of the year in which the Refunding Bonds are issued as appropriate) followed by a dash and then from 1 upward, shall be dated on such dates, and shall mature annually on such dates in such years, bearing interest semi-annually on such dates, at the rate or rates of interest per annum, as may be necessary to sell the same, all as shall be determined by the Supervisor pursuant to Section 4 hereof. It is hereby further determined that (a) such Refunding Bonds may be issued in series, (b) such Refunding Bonds may be sold at a discount in the manner authorized by paragraph e of Section 57.00 of the Local Finance Law and pursuant to subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, and (c) such Refunding Bonds may be issued as a single consolidated issue. It is hereby further determined that such Refunding Bonds may be issued to refund

all, or any portion of, the Refunded Bonds, subject to the limitation hereinafter described in Section 10 hereof relating to approval by the State Comptroller.

Section 2. The Refunding Bonds may be subject to redemption prior to maturity upon such terms as the Supervisor shall prescribe, which terms shall be in compliance with the requirements of Section 53.00 (b) of the Local Finance Law. If less than all of the Refunding Bonds of any maturity are to be redeemed, the particular refunding bonds of such maturity to be redeemed shall be selected by the Town by lot in any customary manner of selection as determined by the Supervisor.

The Refunding Bonds shall be issued in registered form and shall not be registrable to bearer or convertible into bearer coupon form. In the event said Refunding Bonds are issued in non-certificated form, such bonds, when issued, shall be initially issued in registered form in denominations such that one bond shall be issued for each maturity of bonds and shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the bonds in accordance with the Book-Entry-Only system of DTC. In the event that either DTC shall discontinue the Book-Entry-Only system or the Town shall terminate its participation in such Book-Entry-Only system, such bonds shall thereafter be issued in certificated form of the denomination of \$5,000 each or any integral multiple thereof (except for any odd denominations, if necessary) not exceeding the principal amount of each respective maturity. In the case of non-certificated Refunding Bonds, principal of and interest on the bonds shall be payable by check or draft mailed by the Fiscal Agent (as hereinafter defined) to The Depository Trust Company, New York, New York, or to its nominee, Cede & Co., while the bonds are registered in the name of Cede & Co. in accordance with such Book-Entry-Only System. Principal shall only be payable upon surrender of the bonds at the principal corporate trust office of such Fiscal Agent (or at the office of the Town clerk as Fiscal Agent as hereinafter provided).

In the event said Refunding Bonds are issued in certificated form, principal of and interest on the Refunding Bonds shall be payable by check or draft mailed by the Fiscal Agent (as hereinafter defined) to the registered owners of the Refunding Bonds as shown on the registration books of the Town maintained by the Fiscal Agent (as hereinafter defined), as of the close of business on the fifteenth day of the calendar month or last business day of the calendar month preceding each interest payment date as appropriate and as provided in a certificate of the Supervisor providing for the details of the Refunding Bonds. Principal shall only be payable upon surrender of bonds at the principal corporate trust office of a bank or trust company or banks or trust companies located or authorized to do business in the State of

Minutes of the Regular Meeting of the Town Board, Town of Greece, Monroe County held June 16, 2015 at the Town Hall, One Vince Tofany Boulevard, Rochester, New York at 6:00 p.m.

New York, as shall hereafter be designated by the Supervisor as fiscal agent of the Town for the Refunding Bonds (collectively the "Fiscal Agent").

Refunding Bonds in certificated form may be transferred or exchanged at any time prior to maturity at the principal corporate trust office of the Fiscal Agent for bonds of the same maturity of any authorized denomination or denominations in the same aggregate principal amount.

Principal and interest on the Refunding Bonds will be payable in lawful money of the United States of America.

The Supervisor, as chief fiscal officer of the Town, is hereby authorized and directed to enter into an agreement or agreements containing such terms and conditions as he or she shall deem proper with the Fiscal Agent, for the purpose of having such bank or trust company or banks or trust companies act, in connection with the Refunding Bonds, as the Fiscal Agent for said Town, to perform the services described in Section 70.00 of the Local Finance Law, and to execute such agreement or agreements on behalf of the Town, regardless of whether the Refunding Bonds are initially issued in certificated or non-certificated form; provided, however, that the Supervisor is also hereby authorized to name the Town Clerk as the Fiscal Agent in connection with the Refunding Bonds.

The Supervisor is hereby further delegated all powers of this Town Board with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for said Refunding Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

The Refunding Bonds shall be executed in the name of the Town by the manual or facsimile signature of the Supervisor, and a facsimile of its corporate seal shall be imprinted thereon. In the event of facsimile signature, the Refunding Bonds shall be authenticated by the manual signature of an authorized officer or employee of the Fiscal Agent. The Refunding Bonds shall contain the recital required by subdivision 4 of paragraph j of Section 90.10 of the Local Finance Law and the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the Supervisor shall determine. It is hereby determined that it is to the financial advantage of the Town not to impose and collect from registered owners of the Refunding Bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the Fiscal Agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the Fiscal Agent.

Section 3. It is hereby determined that:

(a) the maximum amount of the Refunding Bonds authorized to be issued pursuant to this resolution does not exceed the limitation imposed by subdivision 1 of paragraph b of Section 90.10 of the Local Finance Law;

(b) the maximum period of probable usefulness permitted by law at the time of the issuance of the Refunded Bonds, for the class of objects or purposes financed by the Refunded Bonds, pursuant to paragraph a of Section 11.00 of the Local Finance Law, is as set forth in the Refunded Bonds Certificate;

(c) the last installment of the Refunding Bonds will mature not later than the expiration of the period of probable usefulness of the class of objects or purposes for which said Refunded Bonds were issued in accordance with the provisions of subdivision 1 of paragraph c of Section 90.10 of the Local Finance Law, as applicable;

(d) the estimated present value of the total debt service savings anticipated as a result of the issuance of the Refunding Bonds, if any, computed in accordance with the provisions of subdivision 2 of paragraph b of Section 90.10 of the Local Finance Law, is as shown in the Refunding Financial Plan described in Section 4 hereof.

Section 4. The financial plan for the aggregate of the refundings authorized by this resolution (collectively, the "Refunding Financial Plan"), showing the sources and amounts of all moneys required to accomplish such refundings, the estimated present value of the total debt service savings and the basis for the computation of the aforesaid estimated present value of total debt service savings, are set forth in Exhibit A attached hereto and hereby made a part hereof. The Refunding Financial Plan has been prepared based upon the assumption that the Refunding Bonds will be issued in one series to refund all of the Refunded Bonds in the principal amount of \$3,985,000, and that the Refunding Bonds will mature, be of such terms, and bear interest as set forth in said Exhibit A. This Town Board recognizes that the Refunding Bonds may be issued in one or more series, and for all of the Refunded Bonds, or portions thereof, that the amount of the Refunding Bonds, maturities, terms, and interest rate or rates borne by the Refunding Bonds to be issued by the Town will most probably be different from such assumptions and that the Refunding Financial Plan will also most probably be different from that attached hereto as Exhibit A. The Supervisor is hereby authorized and directed to determine which of the Refunded Bonds will be refunded and at what time, the amount of the Refunding Bonds to be issued, the date or dates of such bonds and the date or dates of issue, maturities and terms thereof, the provisions relating to the redemption of Refunding Bonds prior to maturity, whether the

Refunding Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, whether the Refunding Bonds shall be sold at a discount in the manner authorized by paragraph e of Section 57.00 of the Local Finance Law, and the rate or rates of interest to be borne thereby, whether the Refunding Bonds shall be issued having substantially level or declining annual debt service and all matters related thereto, and to prepare, or cause to be provided, a final Refunding Financial Plan for the Refunding Bonds and all powers in connection therewith are hereby delegated to the Supervisor; provided, that the terms of the Refunding Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of Section 90.10 of the Local Finance Law as applicable. The Supervisor shall file a copy of his certificate determining the details of the Refunding Bonds and the final Refunding Financial Plan with the Town Clerk not later than ten (10) days after the delivery of the Refunding Bonds, as herein provided.

Section 5. The Supervisor is hereby authorized and directed to enter into an escrow contract or contracts (collectively the "Escrow Contract") with a bank or trust company, or with banks or trust companies, located and authorized to do business in this State as said Supervisor shall designate (collectively the "Escrow Holder") for the purpose of having the Escrow Holder act, in connection with the Refunding Bonds, as the escrow holder to perform the services described in Section 90.10 of the Local Finance Law.

Section 6. The faith and credit of said Town of Greece, Monroe County, New York, are hereby irrevocably pledged to the payment of the principal of and interest on the Refunding Bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. To the extent not paid from other sources, there shall be annually levied on all the taxable real property in said Town a tax sufficient to pay the principal of and interest on such Refunding Bonds as the same become due and payable.

Section 7. All of the proceeds from the sale of the Refunding Bonds, including the premium, if any, but excluding accrued interest thereon, shall immediately upon receipt thereof be placed in escrow with the Escrow Holder for the Refunded Bonds. Accrued interest on the Refunding Bonds shall be paid to the Town to be expended to pay interest on the Refunding Bonds. Such proceeds as are deposited in the escrow deposit fund to be created and established pursuant to the Escrow Contract, whether in the form of cash or investments, or both, inclusive of any interest earned from the investment thereof, shall be irrevocably committed and pledged to the payment of the principal of and interest on

Minutes of the Regular Meeting of the Town Board, Town of Greece, Monroe County held June 16, 2015 at the Town Hall, One Vince Tofany Boulevard, Rochester, New York at 6:00 p.m.

the Refunded Bonds in accordance with Section 90.10 of the Local Finance Law, and the holders, from time to time, of the Refunded Bonds shall have a lien upon such moneys held by the Escrow Holder. Such pledge and lien shall become valid and binding upon the issuance of the Refunding Bonds and the moneys and investments held by the Escrow Holder for the Refunded Bonds in the escrow deposit fund shall immediately be subject thereto without any further act. Such pledge and lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Town irrespective of whether such parties have notice thereof.

Section 8. Notwithstanding any other provision of this resolution, so long as any of the Refunding Bonds shall be outstanding, the Town shall not use, or permit the use of, any proceeds from the sale of the Refunding Bonds in any manner which would cause the Refunding Bonds to be an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended, and, to the extent applicable, the Regulations promulgated by the United States Treasury Department thereunder.

Section 9. In accordance with the provisions of Section 53.00 and of paragraph h of Section 90.10 of the Local Finance Law, in the event such bonds are refunded, the Town hereby elects to call in and redeem each of the Refunded Bonds which the Supervisor shall determine to be refunded in accordance with the provisions of Section 4 hereof and with regard to which the right of early redemption exists. The sum to be paid therefor on such redemption date shall be the par value thereof, and the accrued interest to such redemption date. The Escrow Agent for the Refunding Bonds is hereby authorized and directed to cause notice of such call for redemption to be given in the name of the Town in the manner and within the times provided in the Refunded Bond Certificate. Such notice of redemption shall be in substantially the form attached to the Escrow Contract. Upon the issuance of the Refunding Bonds, the election to call in and redeem the callable Refunded Bonds and the direction to the Escrow Agent to cause notice thereof to be given as provided in this paragraph shall become irrevocable, provided that this paragraph may be amended from time to time as may be necessary in order to comply with the publication requirements of paragraph a of Section 53.00 of the Local Finance Law, or any successor law thereto.

Section 10. The Refunding Bonds shall be sold at private sale to Roosevelt & Cross Inc. (the "Underwriter"), plus accrued interest from the date or dates of the Refunding Bonds to the date or dates of the delivery of and payment for the Refunding Bonds. Subject to the approval of the terms and conditions of such private sale by the State Comptroller as may be required by subdivision 2 of paragraph f of Section 90.10 of the Local Finance Law, the Supervisor, is hereby authorized to execute

and deliver a purchase contract for the Refunding Bonds in the name and on behalf of the Town providing the terms and conditions for the sale and delivery of the Refunding Bonds to the Underwriter. After the Refunding Bonds have been duly executed, they shall be delivered by the Supervisor to the purchaser or to the Underwriter in accordance with said purchase contract upon the receipt by the Town of said the purchase price, including accrued interest.

Section 11. The Supervisor and all other officers, employees and agents of the Town are hereby authorized and directed for and on behalf of the Town to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved hereby.

Section 12. All other matters pertaining to the terms and issuance of the Refunding Bonds shall be determined by the Supervisor and all powers in connection thereof are hereby delegated to the Supervisor. The Supervisor shall be further authorized to issue said Refunding Bonds pursuant to Section 90.10 of the Local Finance Law as said officer shall determine necessary.

Section 13. The validity of the Refunding Bonds may be contested only if:

1. Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or
2. The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3. Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. A summary of this resolution, which takes effect immediately, shall be published in the official newspapers of said Town, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

Dated: June 16, 2015.

#197 A - Councilman Conlon offered the following resolution and moved its adoption; seconded by Councilman Barry:

WHEREAS, Bella Pasta Café, Inc. (the "Applicant/Project Sponsor") has submitted a request to the Town Board (the "Town Board") of the Town of Greece (the "Town"), Monroe County, New York, for a waiver of the requirements for a special use permit to modify the operation of an existing restaurant, known as Bella Pasta, on property located at 2500 Ridgeway Avenue, in Eric Canal Commons Plaza, in a BR (Restricted Business) Zoning District; and

WHEREAS, having considered carefully all relevant documentary, testimonial, and other evidence submitted, the Town Board makes the following findings:

1. In summary, the Applicant/Project Sponsor's proposal (the "Proposal") is to modify the operation of an existing restaurant that is located within tenant space in an existing multiple-tenant commercial plaza (the "Premises"). The proposed modification is to establish an area for the occasional outdoor cooking of food on a gas-, wood- or charcoal-fired grill, weather permitting, for consumption on the Premises and for takeout. Such outdoor cooking would occur seasonally on not more than two nights per week. The outdoor grilling of food would be located on a graveled island in the parking lot of the Premises, near the restaurant. The existing operation of the restaurant includes preparation, service, and sale of food (principally, Italian cuisine), for consumption on the Premises and for takeout and delivery, and alcoholic and non-alcoholic beverages for consumption at the restaurant. Weather permitting, outdoor seating for consumption of food and beverages is provided on a limited basis in an area that is adjacent to the restaurant. The Proposal does not include background music or live entertainment (as these terms are defined in the Town's zoning ordinance) on a recurring basis, outdoor loudspeakers, or a drive-up service window. Sponsorship of, affiliation with, permission for, or participation in one-time or recurring special or promotional events on the Premises by the Applicant/Project Sponsor (including background music and live entertainment) will be subject to the requirements and restrictions of the Code of the Town of Greece, New York, Chapter 175 (Special Events). The hours of availability to the public for dining and takeout service inside the restaurant and for delivery service are: Sundays through Saturdays, 11:00 a.m. to 1:00 a.m. Vehicular access to the Premises is via a signalized driveway at Ridgeway Avenue (Monroe County Route 111, a two-lane urban minor arterial) and an unsignalized driveway at Long Pond Road (Monroe County Route 136, a four-lane urban minor arterial).
2. Upon review of the Proposal, the Town Board determined that the Proposal is subject to the State Environmental Quality Review Act (New York State Environmental Conservation Law, Article 8) and its implementing regulations (6 NYCRR Part 617, the "SEQRA Regulations") (collectively, "SEQRA"), and that the Proposal constitutes a Type II action under SEQRA (SEQRA Regulations, §617.5(c)(15)).
3. According to SEQRA, Type II actions have been determined not to have a significant adverse impact on the environment and are not subject to further review under SEQRA.

NOW, THEREFORE, be it

RESOLVED that, based on the aforementioned information, documentation, testimony, and findings, the SEQRA Regulations do not require further action relative to the Proposal.

#197 B - Councilman Conlon offered the following resolution and moved its adoption; seconded by Councilman Barry:

WHEREAS, Bella Pasta Café, Inc. (the "Applicant") has submitted a request to the Town Board (the "Town Board") of the Town of Greece (the "Town"), Monroe County, New York, for a waiver of the requirements for a special use permit to modify the operation of an existing restaurant, known as Bella Pasta, on property located at 2500 Ridgeway Avenue, in Erie Canal Commons Plaza, in a BR (Restricted Business) Zoning District; and

WHEREAS, having considered carefully all relevant documentary, testimonial, and other evidence submitted, the Town Board makes the following findings:

1. In summary, the Applicant's proposal (the "Proposal") is to modify the operation of an existing restaurant that is located within tenant space in an existing multiple-tenant commercial plaza (the "Premises"). The proposed modification is to establish an area for the occasional outdoor cooking of food on a gas-, wood- or charcoal-fired grill, weather permitting, for consumption on the Premises and for takeout. Such outdoor cooking would occur seasonally on not more than two nights per week. The outdoor grilling of food would be located on a graveled island in the parking lot of the Premises, near the restaurant. The existing operation of the restaurant includes preparation, service, and sale of food (principally, Italian cuisine), for consumption on the

Premises and for takeout and delivery, and alcoholic and non-alcoholic beverages for consumption at the restaurant. Weather permitting, outdoor seating for consumption of food and beverages is provided on a limited basis in an area that is adjacent to the restaurant. The Proposal does not include background music or live entertainment (as these terms are defined in the Town's zoning ordinance) on a recurring basis, outdoor loudspeakers, or a drive-up service window. Sponsorship of, affiliation with, permission for, or participation in one-time or recurring special or promotional events on the Premises by the Applicant (including background music and live entertainment) will be subject to the requirements and restrictions of the Code of the Town of Greece, New York, Chapter 175 (Special Events). The hours of availability to the public for dining and takeout service inside the restaurant and for delivery service are: Sundays through Saturdays, 11:00 a.m. to 1:00 a.m. Vehicular access to the Premises is via a signalized driveway at Ridgeway Avenue (Monroe County Route 111, a two-lane urban minor arterial) and an unsignalized driveway at Long Pond Road (Monroe County Route 136, a four-lane urban minor arterial).

2. The Proposal is in substantial conformity with the previous operator's description of the nature, duration, and intensity of the operation.
3. Based on the Town Board's review of relevant documentary, testimonial, and other evidence, the location, nature, duration, and intensity of the Proposal: (a) will not adversely affect the orderly pattern of the development in the area; (b) will be in harmony with nearby uses; (c) will not alter the essential character of the nearby neighborhood, nor be detrimental to the residents thereof; (d) will not create a hazard to health, safety, or the general welfare; (e) will not be detrimental to the flow of traffic; and (f) will not place an excessive burden on public improvements, facilities, services, or utilities.
4. Access to the Premises and the size and shape of the Premises are adequate for the Proposal.
5. Having considered the Proposal and all additional information that may be relevant to the Proposal, it is in the public interest to grant the requested waiver of the requirements to obtain a new special use permit.

NOW THEREFORE, be it

RESOLVED that, based on the aforementioned information, testimony, documentation, and findings, pursuant to the authority conferred by New York State Town Law, Article 16, and pursuant to the Code of the Town of Greece, New York, Chapter 211 (Zoning) (the "Zoning Ordinance"), the request submitted by Bella Pasta Café, Inc. (the "Applicant") for a waiver of the requirements for a special use permit to modify the operation of an existing restaurant, known as Bella Pasta, on property located at 2500 Ridgeway Avenue, in the Erie Canal Commons Plaza, in a BR (Restricted Business) Zoning District, hereby be and the same is approved and granted, subject to the following conditions:

1. The Applicant shall operate this restaurant in conformity with all details of the Proposal, as described in the written descriptions and site development plans of the Proposal, and as set forth herein. In the event of any conflict among the oral or written descriptions of the Proposal, the site development plans of the Proposal, or the requirements or restrictions of this resolution, the Town Board, in its sole discretion and judgment and without hearing, shall determine the resolution of such conflict.
2. The maximum occupancies in this restaurant shall be the limits established by the Town's Fire Marshal pursuant to the New York State Uniform Fire Prevention and Building Code.
3. The Applicant shall comply with all applicable federal, state, county, and Town laws, ordinances, codes, rules, and regulations, including but not limited to the New York State Uniform Fire Prevention and Building Code and all applicable requirements for the installation/maintenance of a grease trap. Failure to comply with such requirements may be grounds for revocation of this special use permit.
4. On a regular, routine basis, the Applicant shall manage and clean up trash or litter that originates from this restaurant or its customers. The areal limits of the Applicant's responsibility in this requirement shall be the Premises.

Minutes of the Regular Meeting of the Town Board, Town of Greece, Monroe County held June 16, 2015 at the Town Hall, One Vince Tofany Boulevard, Rochester, New York at 6:00 p.m.

5. Wherever this resolution refers to a specific applicant, developer, or operator, it shall be construed to include successors and assigns.
6. Wherever this resolution refers to a specific public official or agency, it shall be construed to include designees, successors, and assigns.
7. Wherever this resolution refers to a specific law, ordinance, code, rule, or regulation, it shall be construed to include any superseding authority.
8. Upon the sale or other transfer of controlling interest in this restaurant to any person or entity other than Bella Pasta Café, Inc., its wholly owned subsidiaries, or its franchisees, a new application for a special use permit must be submitted to the Town Board.
